

## *The Director's Cut:*

“Documentary films constitute a broad category of nonfictional motion pictures intended to document some aspect of reality, primarily for the purposes of instruction or maintaining a historical record. Making a short documentary takes just as much effort as a longer one; you still need to compile the material, sort through it, and get the right angle on the story.”

### **Rules and requirements:**

- Team members: 2-10
- Maximum time: 5-8 mins.
- Documentary should be made on any technical/non-technical topic.

- Top 5 five documentaries will be displayed on the day of closing ceremony.
- Documentaries will be rejected if time limits exceeded.

**Note:** Any non-technical documentary will be accepted only if you have made it already for tarangini.
